

Life Domain Rating Scale – Entry

The following is a list of rating scales regarding where you feel you are at this point in time along several different Life Domains. Please review each of these areas and give a rating between 1 and 5. (**1 indicating what area you would like the most support with and 5 indicating what area you feel you need little or no help with.**) The Housing Resource Specialist will talk with you about the ratings you provide and assist you in developing an exit plan at your request.
